ABOUT US

Bright Training and Consultancy, established in 2025 and registered with the Companies Commission of Malaysia (SSM) under registration number 202503255684, is a trusted training and consultancy provider committed to strengthening workforce capability in Penang and Northern Malaysia.

We specialise in delivering high-quality, industry-relevant training programmes designed to equip working professionals with practical, job-ready, and future-focused skills. Our programmes are carefully structured to address real business challenges, enabling organisations to enhance productivity, performance, and workforce readiness in an increasingly competitive environment.

Based in Penang, Bright Training and Consultancy places strong emphasis on supporting organisations across the Northern Region of Malaysia, offering accessible, locally focused training solutions tailored to regional industry needs.

Our approach prioritises relevance, quality, and real-world application, ensuring participants gain not only knowledge but also the confidence and capability to apply their learning effectively in the workplace. Through a learner-centred methodology and a commitment to continuous improvement. We aim to build long-term partnerships with organisations, supporting sustainable talent development and organisational growth.
